

## About **Raj Enterprise**

We (Raj Enterprise) dealing in Ayurvedic raw herbs. We are mainly dealing in entire range of Herbs, Seeds, oils, spices Gums and Minerals. We have our own collection center and also direct touch with cultivators, forest collectors and dealers in center part of Gujarat and India. This helps and provides us the best source for collection. We collect more than 300 Ayurvedic herbals around the whole year.

Raj Group established in 2000 as a small trading & supplier company. Over the years, the company has successfully gained a significant portion of the Indian market share and has made its presence felt. The company's professional services, quality products, competitive pricing and timely delivery of consignments have earned the respect & admiration of customers.

Our customers mainly classified as Government, Semi government, Co-operative sector, Pharmaceuticals Company, herbal Extract manufacturer, Herbal cosmetic manufacturer, Herbal nutrition manufacturer and healthcare related companies.
